7. (Internal Use Only - LLM) Met with Mr. Ed Braswell, Senate Armed Services Committee staff, and reviewed our legislative proposal amending the annuity adjustment provision in the CIA Retirement Act. Mr. Braswell concluded that he could buy the specific percentages and classes of individuals to whom they would apply as set forth in the analysis I gave him. He said the Chairman might object to the 1 January 1967 effective date, but agreed that it should not be later than 1 April 1967. To facilitate matters it was agreed we would send the analysis to Andrew Ruddock, Director, Bureau of Retirement and Insurance, CSC, for an independent verification of its findings pertaining to increases under the Civil Service Retirement System.
